NEWS STRAPPLABLERCO

thow a basis for the claim. The census Blankbook Mf'g., population aince disprove it In the following table is given the number of Anc Paper Ruling. males of voting age, how many of these are allens and the total vote of each of the seven States of the Middle West and

Males Allens Voto in over 21 over 21 (1896 Il inois Jn Lana Iowa Kentucky Michiga Minnesota Obio 0.0er 21 0.0er 21 1.0e9 1.072.03 30.03 11.00.0ep 33.006 78 35 53.155 30.033 1.00.1 10.0 10.1 4.00.03 20.4 17 445.1 5 617.4 6.0 744.3 1.04.4 145 87 801 2.1 909 144.2 185 1.01.64 1.08 43.1 1.6 9.2 1 401.7 24.1 841 1.6 9.2 1 иою Yizconaln

In the first three States the vote last November exceeded the total number of males of voting age as given in the cenaus of 1830 and in the other five States it was less. The excess in Hilnois, however, was below 18,000 and in Yowa it was only 1,216, but in Indiana it was 42.069 In estimation the number of voters it is naus! to add to the native born males of woting ago one -half the number of foreign born males over twenty-one years of age, this being the average proportion of paturalised foreigners But in the Middle West the proportion is larger, as most of the States in that neighborhood offer the right to vote on sinbort residence in orfor to attract immigrants. Substructing the unnaturalised males over twenty-one years of age the vote in 1898 doubtiess executed the number of legal votors residing a 1990 in all the eight States exeep: Kentucky, and if the population ad remained stationery there would be

and 1990 . The ncrease in Ohlo was Which and Courier From these increases in tch vears the in . crease during the sest aix years can be pretty closely estimated They must certainly have been large enough in each of the States to make "the legal voting population larger han the total vote cast last November Minneso s'apopulation, according to the census of 18 5, increased 271 fize in five years. Iowa's increased 145 'b4, Wiveensin's 251 030, and Michi gan 4 in four years, 117775 la the otler States no certus was taken but ters in their own hands so for as the their force un must have been proportion atelyins arge.

It is growth in population effect tally aystem has been established by which disprass of Mr. Aligeld a claim that it is possible to get a fair expression of there could not have been as many the R-publican voters in the selection of vo ess as there were votes east in the a candidate. This is a distinct gain over States mention d. His comparison with the old general c news awatem under the spore along of which never one point and the spore of 1802 is also not fair, as it is operation of which every one voted who operation of which every one voted who pleased without regard to previous party allitations. This fact was illustrated allitations. This fact was illustrated allitations are set to be a constained in that year the properties to be a constained as a set to be a set to additations. This fact was illustrated orcass in last year a vote was certain to hast spring when a large number of men bulking on account of the great interest. be large on account of the great interest awale, and by the campaign. But if Mr Al geld hars fraud in States where there was a large volute the population why does he act elic the case of Adusas. In that State there was one vote cast last that State there was one vote cast last November to ele 31 of perulation with the consust 1890 as a basis, while in bowever, does not elte Kausas | His failure to do this and his fallure to allow at on had od failt eworks safate to had no in basis for his charge of fraud
